

## SUBJECT INDEX

NOTE: Abstract Index follows Author Index

### A

#### **Acanthamoeba**

*Acanthamoeba* endophthalmitis in acquired immunodeficiency syndrome, 584

#### **Acquired immunodeficiency syndrome**

*Acanthamoeba* endophthalmitis in acquired immunodeficiency syndrome, 584

Chiasmal infarction and sudden blindness caused by mucormycosis in AIDS and diabetes mellitus, 895

Cytomegalovirus antigenemia in acquired immunodeficiency syndrome patients with untreated cytomegalovirus retinitis, 847

Inflammatory opacities of the vitreous in rifabutin-associated uveitis, 580

Ocular iontophoretic supplementation of intravenous foscarnet therapy, 86

Treatment of bilateral cytomegalovirus retinitis with sustained-release ganciclovir implants in a child, 731

Treatment of clinically resistant cytomegalovirus retinitis with combined intravitreal injections of ganciclovir and foscarnet, 121

#### **Acute posterior multifocal placoid pigment epitheliopathy**

Acute posterior multifocal placoid pigment epitheliopathy after acute group A streptococcal infection, 115

#### **Adenoma**

Benign mixed tumor (pleomorphic adenoma) of the lacrimal gland in a 6-year-old boy, 446

#### **Advanced ocular cicatricial pemphigoid**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome (correspondence), 914

#### **Age-related macular degeneration**

Retinal pigment epithelial debridement as a model for the pathogenesis and treatment of macular degeneration, 629

#### **Age-related maculopathy**

Alcohol intake and age-related maculopathy, 743

#### **Albino**

Choroidal melanoma in an African-American albino, 901

#### **Alzheimer's disease**

Visual-spatial deficits explain visual symptoms in Alzheimer's disease, 97

#### **Amblyopia**

Ocular findings in Down's syndrome, 236

#### **American Academy of Ophthalmology**

Edward Jackson in 1896: A man and his specialty at a crossroads LIII Edward Jackson memorial lecture: part 1, 469

#### **American Journal of Ophthalmology**

Edward Jackson in 1896: A man and his specialty at a crossroads LIII Edward Jackson memorial lecture: part 1, 469

#### **Amikacin**

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

#### **Angiography**

Choroidal vascular abnormality in Purtscher's retinopathy shown by indocyanine green angiography, 261

Diagnostic indocyanine green angiography in preeclampsia, 672

Indocyanine green angiographic features of pathologic myopia, 663

Indocyanine green angiographic findings in Vogt-Koyanagi-Harada disease, 58

#### **Angle-closure glaucoma**

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 283

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

Reply to SPAETH, G. L.: Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 284

Ultrasound biomicroscopic findings of acute angle-closure glaucoma in Vogt-Koyanagi-Harada syndrome, 735

#### **Anophthalmia**

Hypothalamic-hypophyseal dysgenesis as a neuroimaging correlate of pituitary hormone deficiency in anophthalmia, 747

#### **Anterior chamber**

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Twenty years' delay of fellow eye involvement in herpes simplex virus type 2-associated bilateral acute retinal necrosis syndrome, 891

Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112

#### **Antigen**

Testing for Hepatitis B surface antigen in processing donor tissue for penetrating keratoplasty, 439

#### **Antigenemia**

Cytomegalovirus antigenemia in acquired immunodeficiency syndrome patients with untreated cytomegalovirus retinitis, 847

#### **Aqueous humor**

Association of eosinophil granule major basic protein with atopic cataract, 825

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

#### **Artery**

Branch retinal artery occlusion as the initial sign of giant cell arteritis, 428

Retinal arterial occlusions in young adults (correspondence), 134

Retinal arterial occlusions in young adults (correspondence), 134

#### **Astigmatism**

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

Comparison of suture-in and suture-out postkeratoplasty astigmatism with single running suture or combined running and interrupted sutures, 696

Ocular findings in Down's syndrome, 236

#### **Atlantoaxial dislocation**

Atlantoaxial dislocation related to instilling eyedrops in a patient with Down's syndrome, 908

#### **Automated lamellar keratoplasty**

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

### **B**

#### **Baseball**

The visual function of professional baseball players, 476

#### **Biomicroscopy**

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112

#### **Bleb**

Histopathologic and immunohistochemical analysis of the filtration bleb after unsuccessful glaucoma seton implantation, 205

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

#### **Blepharitis**

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

Ocular findings in Down's syndrome, 236

#### **Blood flow**

Blood-flow velocities in the extraocular vessels in normal volunteers, 364

Positron emission tomography in diagnosing brainstem vascular lesions that cause abnormal eye movements, 557

A randomized, placebo-controlled, double-blind crossover study of the effect of pentoxifylline on ocular fundus pulsations (correspondence), 282

Reply to MACKAY, C. J.: A randomized, placebo-controlled, double-blind crossover study of the effect of pentoxifylline on ocular fundus pulsations (correspondence), 282

Retinal hemodynamics in retinitis pigmentosa, 502

Scanning laser Doppler flowmeter study of retinal and optic disk blood flow in glaucomatous patients, 775

#### **Books, Software, and Electronic Media**

Affections Acquisées de l'Épithélium Pigmentaire Rétinien (Acquired Disorders of the Retinal Pigment Epithelium), by Soubrane, G. (ed.), 288

Atlas of Clinical Ophthalmology, by Albert, D. M., and Jakobiec, F. A., 459

Atlas of Ophthalmic Surgery, 2nd ed., by Jaffe, N. S. (ed.), 138

Best of the OPS: 1993-1994 Scientific Exhibit Winners, by American Academy of Ophthalmology, 757

Cataract and the Aging Eye, by Faye, E. E., Rosenthal, B. P., and Sussman-Skalka, C., 140

Clinical Eyecare Forms, by Weinstock, F. J., 603

Clinical Procedures for Ocular Examination, 2nd edition, by Carlson, N. B., Kurtz, D., Heath, D. A., and Hines, C., 919

Color Atlas and Text of Ocular Plastic Surgery, by van der Meulen, J. C., and Gruss, J. S., 137

Current Techniques in Phacoemulsification, by Lane, S. S., and Koch, D. D., 288

Degenerative Disease of the Retina, by Anderson, R. E., LaVail, M. M., and Hollyfield, J. G. (eds.), 458

Diagnosing Early Glaucoma With Nerve Fiber Layer Examination, by Quigley, H. A., 601

Diagnosis and Management of Oculoplastic and Orbital Disorders, by Naugle, T. C., Jr. (ed.), 755

Drug-Induced Ocular Side Effects, 4th ed., by Fraunfelder, F. T. (ed.), 140

Excimer Laser Refractive Surgery. Practice and Principles, by Machat, J. J. (ed.), 756

The Eye: Basic Sciences and Practices, by Forrester, J., Dick, A., McMenemy, P., and Lee, W., 917

Fundus Fluorescein Angiography, by Chopdar, A., 139

The Glaucomas, 2nd ed. Vol. 1, Basic Sciences; Vol. 2, Clinical Sciences; Vol. 3, Glaucoma Therapy, by Ritch, R., Shields, M. B., and Krupin, T. (eds.), 456

Immunology of the Joint and the Eye, by Zierhut, M. and Thiel, H.-J. (eds.), 287

Lamellar Refractive Surgery, by Casebeer, J. C., Ruiz, L., and Slade, S., 755

Massachusetts Eye and Ear Infirmary Residents' Guide to Ocular Antimicrobial Therapy, by Ciulla, T. A., and Baker, A. S. (eds.), 917

Ocular Blood Flow. New Insights into the Pathogenesis of Ocular Diseases, by Kaiser, H. J., Flammer, J., and Hendrickson, P. (eds.), 602

Ocular Infection and Immunity, by Pepose, J. S., Holland, G. N., and Wilhelmus, K. R. (eds.), 454

Ocular Pathology, 4th edition, by Yanoff, M., and Fine, B. S. (eds.), 286

Optical Coherence Tomography of Ocular Diseases, by Puliafito, C. A., Hee, M. R., Schuman, J. S., and Fujimoto, J. G., 455

Pathology of the Eye on CD-ROM, by Folberg, R., 918

Physician's Guide to the Internet, by Hancock, L., 602

Recent Advances in Ophthalmology, Volume 9., by Jay, B. and Kirkness, C. M. (eds.), 754

The Retinoscopy Book. An Introductory Manual for Eye Care Professionals, 4th edition., by Corboy, J. M., Norath, D. J., and Reffner, R. (eds.), 459

Review of the American Academy of Ophthalmology's "Preferred Responses" Materials, by Skuta, G. (ed.), 916

Specialty Contact Lenses. A Fitter's Guide, by Schwartz, C. A. (ed.), 138

Spectacles and Other Vision Aids: History and Guide to Collecting, by Rosenthal, J. W., 757

Strabismus Management, by Good, W. V., and Hoyt, C. S. (eds.), 286

Surgery of the Eyelid, Orbit, and Lacrimal System. Vol. 3, Ophthalmology Monographs 8, by Stewart, W. B. (ed.), 457

#### **Bruch's membrane**

Mushroom-shaped choroidal hemangioma, 434

Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76

### **C**

#### **Carbonic anhydrase inhibitor**

A six-week dose-response study of the ocular hypotensive effect of dorzolamide with a one-year extension, 183

#### **Cat scratch disease**

Intermediate uveitis and retinal vasculitis as manifestations of cat scratch disease, 582

#### **Cataract**

Association of eosinophil granule major basic protein with atopic cataract, 825

Excimer laser phototherapeutic keratectomy before cataract extraction and intraocular lens implantation, 340

Explantation of a foldable silicone intraocular lens, 270

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

Microbiologic factors and visual outcome in the Endophthalmitis Vitrectomy Study, 830

*Ochrobactrum anthropi* endophthalmitis after uncomplicated cataract surgery, 272

Ocular findings in Down's syndrome, 236

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

Videokeratoscopy of recipient peripheral corneas in combined penetrating keratoplasty, cataract extraction, and lens implantation, 29

#### **Catarrhal infiltrate**

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

#### **CD4+ T-lymphocyte count**

Correlation between intraocular pressure and CD4+ T-lymphocyte counts in patients with human immunodeficiency virus with and without cytomegalovirus retinitis, 91

#### **Ceftazidime**

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

#### **Cellulitis**

Plasmacytoma manifesting as recurrent cellulitis and hematic cyst of the orbit, 595

#### **Central retinal vein occlusion**

Vitreous hemorrhage complicating laser-induced chorioretinal anastomosis for central retinal vein occlusion, 588

#### **Chiasmal infarction**

Chiasmal infarction and sudden blindness caused by mucormycosis in AIDS and diabetes mellitus, 895

#### **Children**

Isidious craniosynostosis and chronic papilledema in childhood, 910

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

Ocular findings in Down's syndrome, 236

#### **Cholesterol**

Total cholesterol and high-density lipoprotein levels as risk factors for increased intraocular pressure, 575

#### **Choriocapillaris**

Retinal pigment epithelial debridement as a model for the pathogenesis and treatment of macular degeneration, 629

#### **Chorioretinal anastomosis**

Choroidal neovascular membrane after laser-induced chorioretinal anastomosis, 590

Vitreous hemorrhage complicating laser-induced chorioretinal anastomosis for central retinal vein occlusion, 588

#### **Chorioretinitis**

Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76

#### **Chorioretinopathy**

Three-dimensional measurements of central serous chorioretinopathy using a scanning laser tomograph, 864

#### **Choroid**

Choroidal melanoma in an African-American albino, 901

Choroidal vascular abnormality in Purtscher's retinopathy shown by indocyanine green angiography, 261

Diagnostic indocyanine green angiography in preeclampsia, 672

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

Indocyanine green angiographic findings in Vogt-Koyanagi-Harada disease, 58

Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76

Retinotomy and foveal translocation for surgical management of subfoveal choroidal neovascular membranes, 613

Submacular surgery complicated by a choroidal neovascular membrane at the retinotomy site, 737

#### **Choroidal melanoma**

No one knows the preferred management for choroidal melanoma (correspondence), 913

#### **Choroidal neovascular membrane**

Choroidal neovascular membrane after laser-induced chorioretinal anastomosis, 590

Recurrence of a choroidal neovascular membrane in a patient with punctate inner choroidopathy treated with daily doses of thalidomide, 594

#### **Cicatrical pemphigoid**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome (correspondence), 752

## Ciliary body

Ciliary body band width as an indicator of goniodysgenesis, 790

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

Experimental retinal and ciliary body photocoagulation using a new 670-nm diode laser, 870

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

Ultrasound biomicroscopic findings of acute angle-closure glaucoma in Vogt-Koyanagi-Harada syndrome, 735

Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112

## Ciprofloxacin

The effect of trauma on the ocular penetration of intravenous ciprofloxacin, 678

## Circle of Zinn-Haller

In vivo detection of perineural circular arterial anastomosis (circle of Zinn-Haller) in a patient with large peripapillary chorioretinal atrophy, 905

## Cocaine

Acute angle-closure glaucoma associated with intranasal cocaine abuse, 425

## Conjunctiva

Detection of enterovirus 70 by polymerase chain reaction in acute hemorrhagic conjunctivitis, 273

Intraoperative mitomycin C in the treatment of cicatricial obliterations of conjunctival fornices, 728

## Contrast sensitivity

The visual function of professional baseball players, 476

## Cornea

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

Clear corneal graft overlying the seton tube to facilitate laser suture lysis, 424

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

Excimer laser in situ keratomileusis under a corneal flap for myopia of 2 to 20 diopters (correspondence), 284

Optical modeling of radial keratotomy incision patterns, 808

A prospective multicenter trial of excimer laser phototherapeutic keratectomy for corneal vision loss, 149

Screening potential corneal donors for HIV-1 by polymerase chain reaction and a colorimetric microwell hybridization assay, 526

Specular microscopy before and after enucleation of live donor eyes, 442

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

Undercorrection after excimer laser refractive surgery, 801

Videokeratoscopy of recipient peripheral corneas in combined penetrating keratoplasty, cataract extraction, and lens implantation, 29

## Corrections

A six-week dose-response study of the ocular hypotensive effect of dorzolamide with a one-year extension, 183; correction; correction, 926

Aries Ophthalmine—Ophthalmology MEDLINE on CD-ROM, 121:337; correction; correction, 289

Spectrum and susceptibilities of microbiologic isolates in the endophthalmitis vitrectomy study, 1; correction; correction, 920

Variations in the clinical course of submacular hemorrhage, 486; correction; correction, 920

## Cortical visual impairment

Cortical visual impairment caused by twin pregnancy, 709

## Corticosteroid

Bilateral exudative retinal detachment complicating systemic corticosteroid therapy in the presence of renal failure, 432

Bilateral lateral geniculitis associated with severe diarrhea, 280

Branch retinal artery occlusion as the initial sign of giant cell arteritis, 428

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

Treatment of persistent glaucoma secondary to periocular corticosteroids, 275

Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112

## Cranial nerve palsy

Spontaneous recovery rate in traumatic sixth-nerve palsy, 898

## Craniosynostosis

Insidious craniosynostosis and chronic papilledema in childhood, 910

## Cryotherapy

Macular coloboma-like lesions and pigment abnormalities as complications of cryotherapy for retinopathy of prematurity in very low birth-weight infants, 299

## Cycloplegia

Atlantoaxial dislocation related to instilling eyedrops in a patient with Down's syndrome, 908

## Cyclosporine

Pseudotumor cerebri associated with cyclosporine use, 436

## Cyclotorsion

Measurement of cyclotorsion, 911

## Cyclotropia

Horizontal transposition of the vertical rectus muscles for cyclotropia, 325

## Cysts

Spontaneous collapse of primary acquired iris stromal cysts, 886

## Cytomegalovirus

Cytomegalovirus antigenemia in acquired immunodeficiency syndrome patients with untreated cytomegalovirus retinitis, 847

### **Cytomegalovirus retinitis**

Correlation between intraocular pressure and CD4+ T-lymphocyte counts in patients with human immunodeficiency virus with and without cytomegalovirus retinitis, 91

Treatment of bilateral cytomegalovirus retinitis with sustained-release ganciclovir implants in a child, 731

Treatment of clinically resistant cytomegalovirus retinitis with combined intravitreal injections of ganciclovir and foscarnet, 121

### **Cytomegalovirus retinopathy**

Ocular iontophoretic supplementation of intravenous foscarnet therapy, 86

## **D**

### **de Morsier's syndrome**

Obesity as a cause of mechanical entropion, 123

### **Dermatitis**

Association of eosinophil granule major basic protein with atopic cataract, 825

### **Diabetes insipidus**

Optic nerve hypoplasia: absence of posterior pituitary bright signal on magnetic resonance imaging correlates with diabetes insipidus, 717

### **Diabetes mellitus**

Chiasmal infarction and sudden blindness caused by mucormycosis in AIDS and diabetes mellitus, 895

Detection of diabetic macular edema: Nidek 3Dx stereophotography compared with fundus biomicroscopy, 654

### **Diabetic retinopathy**

Spontaneous regression of neovascularization at the disk and elsewhere in diabetic retinopathy, 494

Vitrectomy for diffuse macular edema in cases of diabetic retinopathy, 258

### **Diplopia**

Spontaneous recovery rate in traumatic sixth-nerve palsy, 898

### **Doppler**

Retinal hemodynamics in retinitis pigmentosa, 502

### **Doppler imaging**

Bilateral corkscrew episcleral veins from tricuspid incompetence, 577

Blood-flow velocities in the extraocular vessels in normal volunteers, 364

### **Dorzolamide**

A six-week dose-response study of the ocular hypotensive effect of dorzolamide with a one-year extension, 183

### **Down's syndrome**

Atlantoaxial dislocation related to instilling eyedrops in a patient with Down's syndrome, 908

Ocular findings in Down's syndrome, 236

### **Dry eye**

Correlation of tear lipid layer interference patterns with the diagnosis and severity of dry eye, 818

### **Duane's retraction syndrome**

Discordant Duane's retraction syndrome in monozygotic twins, 749

Vertical Duane's retraction syndrome, 447

### **Dystrophy**

Pattern dystrophy of the retinal pigment epithelium and geographic atrophy of the macula, 382

## **E**

### **Echography**

Echographic measurement of optic nerve thickness correlated with neuroretinal rim area and visual field defect in glaucoma, 514

### **Edema**

Vitrectomy for diffuse macular edema in cases of diabetic retinopathy, 258

### **Editorials**

# I

## Implant

Histopathologic and immunohistochemical analysis of the filtration bleb after unsuccessful glaucoma seton implantation, 205

## Infants

Eye manifestations of congenital toxoplasmosis, 309

## Injury

Choroidal vascular abnormality in Purtscher's retinopathy shown by indocyanine green angiography, 261

Demographic factors in a population-based survey of hospitalized work-related, ocular injury, 213

Retinal detachments by squash ball accidents, 260

## Interference

Correlation of tear lipid layer interference patterns with the diagnosis and severity of dry eye, 818

## Internuclear ophthalmoplegia

Neuro-Behçet disease presenting with internuclear ophthalmoplegia, 897

## Intraocular lens

Excimer laser phototherapeutic keratectomy before cataract extraction and intraocular lens implantation, 340

Explantation of a foldable silicone intraocular lens, 270

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

Laser synechialysis to prevent membrane recurrence on silicone intraocular lenses, 426

Reduced vision secondary to pigmented cellular membranes on silicone intraocular lenses (correspondence), 452

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

Videokeratoscopy of recipient peripheral corneas in combined penetrating keratoplasty, cataract extraction, and lens implantation, 29

## Intraocular pressure

Change in optic disk topography after trabeculectomy, 690

Correlation between intraocular pressure and CD4+ T-lymphocyte counts in patients with human immunodeficiency virus with and without cytomegalovirus retinitis, 91

Effect of topical anti-inflammatory treatment on the outcome of laser trabeculoplasty, 349

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

A six-week dose-response study of the ocular hypotensive effect of dorzolamide with a one-year extension, 183

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

Surgical vs medical management of chronic open-angle glaucoma, 767

Total cholesterol and high-density lipoprotein levels as risk factors for increased intraocular pressure, 575

Treatment of persistent glaucoma secondary to periocular corticosteroids, 275

## Iontophoresis

Ocular iontophoretic supplementation of intravenous foscarnet therapy, 86

## Iridocorneal angle

Ciliary body band width as an indicator of goniodysgenesis, 790

## Iridocyclitis

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

## Iridodialysis

Double-armed McCannell suture for repair of traumatic iridodialysis, 109

## Iridotomy

Acute angle-closure glaucoma associated with intranasal cocaine abuse, 425

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

## Iris

Double-armed McCannell suture for repair of traumatic iridodialysis, 109

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

Ocular findings in Down's syndrome, 236

Spontaneous collapse of primary acquired iris stromal cysts, 886

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112

# J

## Jackson, Edward

Edward Jackson in 1896: A man and his specialty at a crossroads LIII Edward Jackson memorial lecture: part 1, 469

## Juvenile rheumatoid arthritis

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

# K

## Keratotomy

Excimer laser phototherapeutic keratectomy before cataract extraction and intraocular lens implantation, 340

## Keratoconjunctivitis

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

## Keratoconus

Tangential vs Sagittal videokeratographs in the "early" detection of keratoconus, 887

## Keratomileusis

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

Excimer laser in situ keratomileusis under a corneal flap for myopia of 2 to 20 diopters (correspondence), 284

### **Keratopathy**

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

### **Keratoplasty**

Comparison of suture-in and suture-out postkeratoplasty astigmatism with single running suture or combined running and interrupted sutures, 696

Specular microscopy before and after enucleation of live donor eyes, 442

Testing for Hepatitis B surface antigen in processing donor tissue for penetrating keratoplasty, 439

### **Keratoprosthesis**

An infusion temporary keratoprosthesis for pars plana vitrectomy, 579

### **Keratotomy**

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

Optical modeling of radial keratotomy incision patterns, 808

## **L**

### **Lacrimal apparatus**

Ocular findings in Down's syndrome, 236

### **Lacrimal gland**

Benign mixed tumor (pleomorphic adenoma) of the lacrimal gland in a 6-year-old boy, 446

### **Lacrimal passages**

Evaluation of the lacrimal drainage function by the drop test, 701

### **Lamellar keratoplasty**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

### **Laser**

Choroidal neovascular membrane after laser-induced chorioretinal anastomosis, 590

Excimer laser in situ keratomileusis under a corneal flap for myopia of 2 to 20 diopters (correspondence), 284

Experimental retinal and ciliary body photocoagulation using a new 670-nm diode laser, 870

In vivo detection of perineural circular arterial anastomosis (circle of Zinn-Haller) in a patient with large peripapillary chorioretinal atrophy, 905

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

Three-dimensional measurements of central serous chorioretinopathy using a scanning laser tomograph, 864

Vitreous hemorrhage complicating laser-induced chorioretinal anastomosis for central retinal vein occlusion, 588

### **Latanoprost**

A comparative study of the effects of timolol and latanoprost on blood flow velocity of the retrobulbar vessels, 784

### **Lens**

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

### **Leukemia**

Ocular lymphoma in a patient with chronic lymphocytic leukemia, 266

### **Lipid layer**

Correlation of tear lipid layer interference patterns with the diagnosis and severity of dry eye, 818

### **Lipoprotein**

Total cholesterol and high-density lipoprotein levels as risk factors for increased intraocular pressure, 575

### **Lumboperitoneal shunt**

Severe sudden visual loss caused by pseudotumor cerebri and lumboperitoneal shunt failure, 129

### **Lymphoma**

Ocular lymphoma in a patient with chronic lymphocytic leukemia, 266

## **M**

### **Macrophage**

Histopathologic and immunohistochemical analysis of the filtration bleb after unsuccessful glaucoma seton implantation, 205

### **Macula**

Macular coloboma-like lesions and pigment abnormalities as complications of cryotherapy for retinopathy of prematurity in very low birth-weight infants, 299

Pattern dystrophy of the retinal pigment epithelium and geographic atrophy of the macula, 382

The role of the premacular liquefied pocket and premacular vitreous cortex in idiopathic macular hole development, 622

Visual field defects after macular hole surgery, 371

Vitrectomy for diffuse macular edema in cases of diabetic retinopathy, 258

### **Macular degeneration**

Basic fibroblast growth factor and vascular endothelial growth factor are present in epiretinal and choroidal neovascular membranes, 393

Macular coloboma-like lesions and pigment abnormalities as complications of cryotherapy for retinopathy of prematurity in very low birth-weight infants, 299

Retinotomy and foveal translocation for surgical management of subfoveal choroidal neovascular membranes, 613

Variations in the clinical course of submacular hemorrhage, 486

### **Macular edema**

Detection of diabetic macular edema: Nidek 3Dx stereophotography compared with fundus biomicroscopy, 654

### **Macular hole**

Clinicopathologic correlation of an untreated macular hole and a macular hole treated by vitrectomy, transforming growth factor- $\beta_2$ , and gas tamponade, 853

The role of the premacular liquefied pocket and premacular vitreous cortex in idiopathic macular hole development, 622

Ultrastructural features of tissue removed during idiopathic macular hole surgery, 67

### Magnetic resonance imaging

Detection of visual dysfunction in optic atrophy by functional magnetic resonance imaging during monocular visual stimulation, 404

Hypothalamic-hypophyseal dysgenesis as a neuroimaging correlate of pituitary hormone deficiency in anophthalmia, 747

Localization of traumatic oculomotor nerve palsy to the midbrain exit site by magnetic resonance imaging, 437

Optic nerve hypoplasia: absence of posterior pituitary bright signal on magnetic resonance imaging correlates with diabetes insipidus, 717

Positron emission tomography in diagnosing brainstem vascular lesions that cause abnormal eye movements, 557

Vascular compressive abducens nerve palsy disclosed by magnetic resonance imaging, 416

### Major basic protein

Association of eosinophil granule major basic protein with atopic cataract, 825

### Measurement

Measurement of cyclotorsion, 911

### Melanoma

Choroidal melanoma in an African-American albino, 901

Irradiated uveal melanomas: cytopathologic correlation with prognosis, 509

### Microscopy

Specular microscopy before and after enucleation of live donor eyes, 442

### Migraine

Migraine precipitated by head trauma in athletes, 277

### Mitomycin C

Intraoperative mitomycin C in the treatment of cicatricial obliterations of conjunctival fornices, 728

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

Retinal vein occlusion after trabeculectomy with mitomycin C, 574

### Mucormycosis

Chiasmal infarction and sudden blindness caused by mucormycosis in AIDS and diabetes mellitus, 895

### Muscle

Acquired lower eyelid epiblepharon, 449

Horizontal transposition of the vertical rectus muscles for cyclotropia, 325

Primary infratarsal lower eyelid retractor lysis to prevent eyelid retraction after inferior rectus muscle recession, 331

Unilateral congenital ptosis with ipsilateral superior rectus muscle overaction, 550

Vertical Duane's retraction syndrome, 447

### Mydriasis

Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 283

Reply to SPAETH, G. L.: Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 284

### Myopia

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

Drug-induced transient myopia and angle-closure glaucoma associated with supraciliary choroidal effusion, 110

Excimer laser in situ keratomileusis under a corneal flap for myopia of 2 to 20 diopters (correspondence), 284

Indocyanine green angiographic features of pathologic myopia, 663

Ocular findings in Down's syndrome, 236

Undercorrection after excimer laser refractive surgery, 801

## N

### Nasolacrimal duct obstruction

Balloon catheter dilatation for treatment of congenital nasolacrimal duct obstruction (correspondence), 598

### Needle elevation

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

### Neoplasm

Benign mixed tumor (pleomorphic adenoma) of the lacrimal gland in a 6-year-old boy, 446

Enchondroma of the orbit, 444

Mushroom-shaped choroidal hemangioma, 434

Plasmacytoma manifesting as recurrent cellulitis and hematic cyst of the orbit, 595

### Neovascularization

Basic fibroblast growth factor and vascular endothelial growth factor are present in epiretinal and choroidal neovascular membranes, 393

Spontaneous regression of neovascularization at the disk and elsewhere in diabetic retinopathy, 494

### Nerve

Progressive ophthalmoplegia with acute ischemic abducens nerve palsies, 278

### Nerve fiber layer

Measurement by Nerve Fiber Analyzer of retinal nerve fiber layer thickness in normal subjects and patients with ocular hypertension, 220

### Neuro-Behçet disease

Neuro-Behçet disease presenting with internuclear ophthalmoplegia, 897

### Nystagmus

Ocular findings in Down's syndrome, 236

## O

### Obesity

Obesity as a cause of mechanical entropion, 123

### Occult macular dystrophy

Occult macular dystrophy, 644

### Ochrobactrum sp.

*Ochrobactrum anthropi* endophthalmitis after uncomplicated cataract surgery, 272

### Ocular cicatricial pemphigoid

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

**Ocular hypertension**

Optic nerve head topography in ocular hypertensive eyes using confocal scanning laser ophthalmoscopy, 520

**Oculomotor nerve**

Localization of traumatic oculomotor nerve palsy to the midbrain exit site by magnetic resonance imaging, 437

**Opacity**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

**Open-angle glaucoma**

A six-week dose-response study of the ocular hypotensive effect of dorzolamide with a one-year extension, 183

**Ophthalmic medication**

Atlantoaxial dislocation related to instilling eyedrops in a patient with Down's syndrome, 908

**Ophthalmoplegia**

Progressive ophthalmoplegia with acute ischemic abducens nerve palsies, 278

**Ophthalmoscopy**

Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 283

Optic nerve head topography in ocular hypertensive eyes using confocal scanning laser ophthalmoscopy, 520

Reply to SPAETH, G. L.: Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 284

**Optic atrophy**

Detection of visual dysfunction in optic atrophy by functional magnetic resonance imaging during monocular visual stimulation, 404

**Optic coherence tomography**

Optic coherence tomography of optic disk pit maculopathy, 264

**Optic disk**

Change in optic disk topography after trabeculectomy, 690

Optic coherence tomography of optic disk pit maculopathy, 264

Severe sudden visual loss caused by pseudotumor cerebri and lumboperitoneal shunt failure, 129

Visual field defects after macular hole surgery, 371

**Optic nerve**

Echographic measurement of optic nerve thickness correlated with neuroretinal rim area and visual field defect in glaucoma, 514

Optic nerve head topography in ocular hypertensive eyes using confocal scanning laser ophthalmoscopy, 520

Posterior segment neovascularization associated with optic nerve aplasia, 131

Scanning laser Doppler flowmeter study of retinal and optic disk blood flow in glaucomatous patients, 775

Severe sudden visual loss caused by pseudotumor cerebri and lumboperitoneal shunt failure, 129

**Optic nerve hypoplasia**

Optic nerve hypoplasia: absence of posterior pituitary bright signal on magnetic resonance imaging correlates with diabetes insipidus, 717

**Optic neuritis**

Varicella-zoster virus retrobulbar optic neuritis in a patient with human immunodeficiency virus, 586

**Optic neuropathy**

Hyperbaric oxygen therapy for nonarteritic anterior ischemic optic neuropathy, 535

Localization of traumatic oculomotor nerve palsy to the midbrain exit site by magnetic resonance imaging, 437

Vascular compressive abducens nerve palsy disclosed by magnetic resonance imaging, 416

**Orbital hemorrhage**

Spontaneous orbital hemorrhage in pregnant women treated with subcutaneous heparin, 907

**P****Palsy**

Localization of traumatic oculomotor nerve palsy to the midbrain exit site by magnetic resonance imaging, 437

Progressive ophthalmoplegia with acute ischemic abducens nerve palsies, 278

Vascular compressive abducens nerve palsy disclosed by magnetic resonance imaging, 416

**Papilledema**

Bilateral papilledema with retinal hemorrhages in association with cerebral venous sinus thrombosis and paroxysmal nocturnal hemoglobinuria, 592

Insidious craniosynostosis and chronic papilledema in childhood, 910

**Pars plana vitrectomy**

An infusion temporary keratoprosthesis for pars plana vitrectomy, 579

**Penetrating keratoplasty**

Polymerase chain reaction detection of herpes simplex virus in tear fluid from atypical herpetic epithelial keratitis after penetrating keratoplasty, 732

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

Videokeratoscopy of recipient peripheral corneas in combined penetrating keratoplasty, cataract extraction, and lens implantation, 29

**Pentoxifylline**

A randomized, placebo-controlled, double-blind crossover study of the effect of pentoxifylline on ocular fundus pulsations (correspondence), 282

Reply to MACKAY, C. J.: A randomized, placebo-controlled, double-blind crossover study of the effect of pentoxifylline on ocular fundus pulsations (correspondence), 282

**Phacoemulsification**

Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161

**Phlyctenulosis**

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

**Phototherapeutic keratectomy**

A prospective multicenter trial of excimer laser phototherapeutic keratectomy for corneal vision loss, 149

### **Plasmacytoma**

Plasmacytoma manifesting as recurrent cellulitis and hematic cyst of the orbit, 595

### **Polarimetry**

Measurement by Nerve Fiber Analyzer of retinal nerve fiber layer thickness in normal subjects and patients with ocular hypertension, 220

### **Polymerase chain reaction**

Detection of enterovirus 70 by polymerase chain reaction in acute hemorrhagic conjunctivitis, 273

Polymerase chain reaction detection of herpes simplex virus in tear fluid from atypical herpetic epithelial keratitis after penetrating keratoplasty, 732

Screening potential corneal donors for HIV-1 by polymerase chain reaction and a colorimetric microwell hybridization assay, 526

Twenty years' delay of fellow eye involvement in herpes simplex virus type 2-associated bilateral acute retinal necrosis syndrome, 891

### **Positron emission tomography**

Positron emission tomography in diagnosing brainstem vascular lesions that cause abnormal eye movements, 557

### **Posterior segment**

Posterior segment neovascularization associated with optic nerve aplasia, 131

### **Prednisolone acetate**

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

### **Preeclampsia**

Diagnostic indocyanine green angiography in preeclampsia, 672

### **Proliferative vitreoretinopathy**

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

### **Pseudotumor cerebri**

Pseudotumor cerebri associated with cyclosporine use, 436

### **Ptoxis**

Unilateral congenital ptosis with ipsilateral superior rectus muscle overaction, 550

### **Pupil**

Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 283

Reply to SPAETH, G. L.: Incidence of acute angle-closure glaucoma after pharmacologic mydriasis (correspondence), 284

### **Pupillary block**

Increase in iris-lens contact after laser iridotomy for pupillary block angle closure, 53

### **Purtscher's retinopathy**

Choroidal vascular abnormality in Purtscher's retinopathy shown by indocyanine green angiography, 261

## **R**

### **Radial keratotomy**

Astigmatic keratotomy combined with myopic keratomileusis in situ for compound myopic astigmatism, 18

### **Radiation therapy**

Bone marrow transplantation retinopathy in the absence of radiation therapy, 268

### **Refractive surgery**

Tangential vs Sagittal videokeratographs in the "early" detection of keratoconus, 887

### **Relative afferent pupillary defect**

Long-term fluctuation of relative afferent pupillary defect in subjects with normal visual function, 875

### **Retina**

Bone marrow transplantation retinopathy in the absence of radiation therapy, 268

Branch retinal artery occlusion as the initial sign of giant cell arteritis, 428

Cancer-associated retinopathy with presumed vasculitis, 125

Correlation between intraocular pressure and CD4+ T-lymphocyte counts in patients with human immunodeficiency virus with and without cytomegalovirus retinitis, 91

Experimental retinal and ciliary body photocoagulation using a new 670-nm diode laser, 870

*Fusarium* endophthalmitis in an intravenous drug abuser, 119

Indocyanine green angiographic findings in Vogt-Koyanagi-Harada disease, 58

Intraocular hemorrhage associated with dental implant surgery, 745

Measurement by Nerve Fiber Analyzer of retinal nerve fiber layer thickness in normal subjects and patients with ocular hypertension, 220

Ocular findings in Down's syndrome, 236

Ocular iontophoretic supplementation of intravenous foscarnet therapy, 86

Optic coherence tomography of optic disk pit maculopathy, 264

Posterior segment neovascularization associated with optic nerve aplasia, 131

Progressive outer retinal necrosis after bone marrow transplantation, 892

Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76

Retinal arterial occlusions in young adults (correspondence), 134

Retinal arterial occlusions in young adults (correspondence), 134

Retinal detachments by squash ball accidents, 260

Retinal hemorrhages from septic emboli in a patient with a ventricular false chorda, 117

Scanning laser Doppler flowmeter study of retinal and optic disk blood flow in glaucomatous patients, 775

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

Treatment of clinically resistant cytomegalovirus retinitis with combined intravitreal injections of ganciclovir and foscarnet, 121

Ultrastructural features of tissue removed during idiopathic macular hole surgery, 67

### **Retinal detachment**

Bilateral exudative retinal detachment complicating systemic corticosteroid therapy in the presence of renal failure, 432

Retinal detachments by squash ball accidents, 260

Surgical treatment for chronic hypotony and anterior proliferative vitreoretinopathy, 228

Turner's syndrome associated with bilateral retinal detachments, 742

### **Retinal necrosis**

Progressive outer retinal necrosis after bone marrow transplantation, 892

Twenty years' delay of fellow eye involvement in herpes simplex virus type 2-associated bilateral acute retinal necrosis syndrome, 891

### **Retinal pigment epithelium**

Indocyanine green angiographic findings in Vogt-Koyanagi-Harada disease, 58

Pattern dystrophy of the retinal pigment epithelium and geographic atrophy of the macula, 382

Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76

Retinal pigment epithelial debridement as a model for the pathogenesis and treatment of macular degeneration, 629

### **Retinal vasculitis**

Intermediate uveitis and retinal vasculitis as manifestations of cat scratch disease, 582

### **Retinal vein occlusion**

Retinal vein occlusion after trabeculectomy with mitomycin C, 574

### **Retinitis**

Association of thyroid disease with retinitis pigmentosa and gyrate atrophy, 903

Cytomegalovirus antigenemia in acquired immunodeficiency syndrome patients with untreated cytomegalovirus retinitis, 847

### **Retinitis pigmentosa**

Retinal hemodynamics in retinitis pigmentosa, 502

### **Retinopathy**

Bone marrow transplantation retinopathy in the absence of radiation therapy, 268

Cancer-associated retinopathy in a patient with endometrial cancer, 740

Cancer-associated retinopathy with presumed vasculitis, 125

Macular coloboma-like lesions and pigment abnormalities as complications of cryotherapy for retinopathy of prematurity in very low birth-weight infants, 299

Visual field loss in HIV-positive patients without infectious retinopathy, 542

The continuing threat of retinopathy of prematurity, 420

### **Retinotomy**

Submacular surgery complicated by a choroidal neovascular membrane at the retinotomy site, 737

### **Retrobulbar circulation**

A comparative study of the effects of timolol and latanoprost on blood flow velocity of the retrobulbar vessels, 784

### **Rheumatic valvular disease**

Bilateral corkscrew episcleral veins from tricuspid incompetence, 577

### **Richter's syndrome**

Ocular lymphoma in a patient with chronic lymphocytic leukemia, 266

### **Rifabutin**

Inflammatory opacities of the vitreous in rifabutin-associated uveitis, 580

### **Rimexolone**

Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171

### **Roth's spots**

Retinal hemorrhages from septic emboli in a patient with a ventricular false chorda, 117

## **S**

### **S-antigen**

Cancer-associated retinopathy in a patient with endometrial cancer, 740

### **Sagittal topography**

Tangential vs Sagittal videokeratographs in the "early" detection of keratoconus, 887

### **Sclera**

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

### **Screening**

Detection of diabetic macular edema: Nidek 3Dx stereophotography compared with fundus biomicroscopy, 654

### **Secondary intraocular lens implantation**

Microbiologic factors and visual outcome in the Endophthalmitis Vitrectomy Study, 830

### **Sixth-nerve palsy**

Spontaneous recovery rate in traumatic sixth-nerve palsy, 898

### **Spontaneous regression**

Spontaneous regression of neovascularization at the disk and elsewhere in diabetic retinopathy, 494

### **Staphylococcus aureus phage lysate vaccine**

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

### **Staphylococcus sp.**

The effect of *Staphylococcus aureus* phage lysate vaccine on a rabbit model of staphylococcal blepharitis, phlyctenulosis, and catarrhal infiltrates, 245

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

### **Stereopsis**

Detection of diabetic macular edema: Nidek 3Dx stereophotography compared with fundus biomicroscopy, 654

### **Stevens-Johnson syndrome**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome (correspondence), 752

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome (correspondence), 914

#### **Stickler's syndrome**

Long-term follow-up of ocular findings in children with Stickler's syndrome, 727

#### **Strabismus**

Horizontal transposition of the vertical rectus muscles for cyclotropia, 325

Ocular findings in Down's syndrome, 236

Primary infratarsal lower eyelid retractor lysis to prevent eyelid retraction after inferior rectus muscle recession, 331

Spontaneous recovery rate in traumatic sixth-nerve palsy, 898

Unilateral congenital ptosis with ipsilateral superior rectus muscle overaction, 550

#### **Streptococcus sp.**

Acute posterior multifocal placoid pigment epitheliopathy after acute group A streptococcal infection, 115

Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

#### **Subcutaneous heparin**

Spontaneous orbital hemorrhage in pregnant women treated with subcutaneous heparin, 907

#### **Submacular surgery**

Retinal pigment epithelial debridement as a model for the pathogenesis and treatment of macular degeneration, 629

Submacular surgery complicated by a choroidal neovascular membrane at the retinotomy site, 737

#### **Supraciliary space**

Ultrasound biomicroscopic findings of acute angle-closure glaucoma in Vogt-Koyanagi-Harada syndrome, 735

#### **Surface**

Testing for Hepatitis B surface antigen in processing donor tissue for penetrating keratoplasty, 439

#### **Suturing techniques**

Comparison of suture-in and suture-out postkeratoplasty astigmatism with single running suture or combined running and interrupted sutures, 696

#### **Synechialysis**

Laser synechialysis to prevent membrane recurrence on silicone intraocular lenses, 426

## **T**

#### **Tangential topography**

Tangential vs Sagittal videokeratographs in the "early" detection of keratoconus, 887

#### **Tarsorrhaphy**

Surgical reconstruction of the ocular surface in advanced ocular cicatricial pemphigoid and Stevens-Johnson syndrome, 38

#### **Tear**

Correlation of tear lipid layer interference patterns with the diagnosis and severity of dry eye, 818

Evaluation of the lacrimal drainage function by the drop test, 701

#### **Teller acuity cards**

Ocular findings in Down's syndrome, 236

#### **Thalidomide**

Recurrence of a choroidal neovascular membrane in a patient with punctate inner choroidopathy treated with daily doses of thalidomide, 594

#### **Thrombosis**

Bilateral papilledema with retinal hemorrhages in association with cerebral venous sinus thrombosis and paroxysmal nocturnal hemoglobinuria, 592

#### **Thyroid disease**

Association of thyroid disease with retinitis pigmentosa and gyrate atrophy, 903

#### **Timolol**

A comparative study of the effects of timolol and latanoprost on blood flow velocity of the retrobulbar vessels, 784

#### **Tomography**

Three-dimensional measurements of central serous chorioretinopathy using a scanning laser tomograph, 864

#### **Toxoplasmic retinochoroiditis**

Eye manifestations of congenital toxoplasmosis, 309

#### **Toxoplasmosis**

Eye manifestations of congenital toxoplasmosis, 309

#### **Trabeculectomy**

Change in optic disk topography after trabeculectomy, 690

Needle elevation of the scleral flap for failing filtration blebs after trabeculectomy with mitomycin C, 195

Retinal vein occlusion after trabeculectomy with mitomycin C, 574

#### **Trabeculoplasty**

Effect of topical anti-inflammatory treatment on the outcome of laser trabeculoplasty, 349

#### **Trauma**

Demographic factors in a population-based survey of hospitalized work-related, ocular injury, 213

Double-armed McCannell suture for repair of traumatic iridodialysis, 109

Migraine precipitated by head trauma in athletes, 277

#### **Tumor**

Benign mixed tumor (pleomorphic adenoma) of the lacrimal gland in a 6-year-old boy, 446

Choroidal melanoma in an African-American albino, 901

#### **Turner's syndrome**

Turner's syndrome associated with bilateral retinal detachments, 742

## **U**

#### **Ulnar nerve palsy**

Postvitrectomy positioning complicated by ulnar nerve palsy, 739

#### **Ultrasound biomicroscopy**

Ultrasound biomicroscopic findings of acute angle-closure glaucoma in Vogt-Koyanagi-Harada syndrome, 735

#### **Uvea**

Choroidal melanoma in an African-American albino, 901

## **Uveitis**

- Efficacy and safety of rimexolone 1% ophthalmic suspension vs 1% prednisolone acetate in the treatment of uveitis, 171
- Inflammatory opacities of the vitreous in rifabutin-associated uveitis, 580
- Intermediate uveitis and retinal vasculitis as manifestations of cat scratch disease, 582
- Intraocular lens implantation in patients with juvenile rheumatoid arthritis, 161
- Progressive subretinal fibrosis and blindness in patients with multifocal granulomatous chorioretinitis, 76
- Treatment of persistent glaucoma secondary to periocular corticosteroids, 275
- Vogt-Koyanagi-Harada disease and HLA type in Italian patients, 889

## **V**

### **Valsalva maneuver**

- Intraocular hemorrhage associated with dental implant surgery, 745

### **Vancomycin**

- Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1

### **Varicella-zoster virus**

- Varicella-zoster virus retrobulbar optic neuritis in a patient with human immunodeficiency virus, 586

### **Ventriculoperitoneal shunt**

- Visual loss as the manifesting symptom of ventriculoperitoneal shunt malfunction, 127

### **Videokeratography**

- Optical modeling of radial keratotomy incision patterns, 808
- Tangential vs Sagittal videokeratographs in the "early" detection of keratoconus, 887

### **Videokeratoscopy**

- Videokeratoscopy of recipient peripheral corneas in combined penetrating keratoplasty, cataract extraction, and lens implantation, 29

### **Visual acuity**

- Hyperbaric oxygen therapy for nonarteritic anterior ischemic optic neuropathy, 535
- The visual function of professional baseball players, 476

### **Visual field**

- Bilateral lateral geniculitis associated with severe diarrhea, 280
- Detection of visual dysfunction in optic atrophy by functional magnetic resonance imaging during monocular visual stimulation, 404
- Echographic measurement of optic nerve thickness correlated with neuroretinal rim area and visual field defect in glaucoma, 514
- Hyperbaric oxygen therapy for nonarteritic anterior ischemic optic neuropathy, 535
- Rate of progression in open-angle glaucoma estimated from cross-sectional prevalence of visual field damage, 355

Visual field defects after macular hole surgery, 371

Visual field loss in HIV-positive patients without infectious retinopathy, 542

### **Visual loss**

- Severe sudden visual loss caused by pseudotumor cerebri and lumboperitoneal shunt failure, 129
- Visual loss as the manifesting symptom of ventriculoperitoneal shunt malfunction, 127

### **Visual-spatial deficit**

- Visual-spatial deficits explain visual symptoms in Alzheimer's disease, 97

### **Vitrectomy**

- Clinicopathologic correlation of an untreated macular hole and a macular hole treated by vitrectomy, transforming growth factor- $\beta_2$ , and gas tamponade, 853
- An infusion temporary keratoprosthesis for pars plana vitrectomy, 579
- Microbiologic factors and visual outcome in the Endophthalmitis Vitrectomy Study, 830
- Postvitrectomy positioning complicated by ulnar nerve palsy, 739
- Retinotomy and foveal translocation for surgical management of subfoveal choroidal neovascular membranes, 613
- The role of the premacular liquefied pocket and premacular vitreous cortex in idiopathic macular hole development, 622
- Spectrum and susceptibilities of microbiologic isolates in the Endophthalmitis Vitrectomy Study, 1
- Ultrastructural features of tissue removed during idiopathic macular hole surgery, 67
- Vitrectomy for diffuse macular edema in cases of diabetic retinopathy, 258

### **Vitreous**

- The role of the premacular liquefied pocket and premacular vitreous cortex in idiopathic macular hole development, 622
- Ultrastructural features of tissue removed during idiopathic macular hole surgery, 67

### **Vitreous cavity drug penetration**

- Aminoglycoside levels in the rabbit vitreous cavity after intravenous administration, 684

### **Vogt-Koyanagi-Harada syndrome**

- Indocyanine green angiographic findings in Vogt-Koyanagi-Harada disease, 58
- Ultrasound biomicroscopic findings of acute angle-closure glaucoma in Vogt-Koyanagi-Harada syndrome, 735
- Ultrasound biomicroscopy of shallow anterior chamber in Vogt-Koyanagi-Harada syndrome, 112
- Vogt-Koyanagi-Harada disease and HLA type in Italian patients, 889

## **W**

### **White dot syndrome**

- Multiple evanescent white dot syndrome after hepatitis B vaccine, 431

## ABSTRACT INDEX

### A

#### Age-related macular degeneration

Natural history of subfoveal subretinal hemorrhage in age-related macular degeneration, 763

Subfoveal fibrovascular membranes in age-related macular degeneration express vascular endothelial growth factor, 763

#### Aging

Tear film changes associated with normal aging, 290

#### Allergy

Occupational conjunctivitis associated with type IV allergy to methacrylates, 290

#### Amblyopia

Components of visual acuity loss in strabismus, 144

#### Anterior chamber

Histopathologic risk factors in retinoblastoma: a retrospective study of 172 patients treated in a single institution, 142

### B

#### Binocular rivalry

What is rivaling during binocular rivalry?, 293

#### Blepharoplasty

Limited-incision forehead lift for eyebrow elevation to enhance upper blepharoplasty, 610

#### Blindness

Feasibility of a visual prosthesis for the blind based on intracortical microstimulation of the visual cortex, 609

#### Blood flow

Retinal blood flow changes in type I diabetes. A long-term, follow-up study, 291

#### Bupivacaine

The role of hyaluronidase on lidocaine and bupivacaine pharmacokinetics after peribulbar blockade, 461

### C

#### Carcinoma

Effect of ambient solar ultraviolet radiation on incidence of squamous-cell carcinoma of the eye, 606

#### Cataract

Cataractogenesis after total body irradiation, 461

The critical period for surgical treatment of dense congenital unilateral cataract, 759

Recent developments in vision research: light damage in cataract, 759

Resource management of cataract patients: can visual rehabilitation be achieved in three visits?, 760

#### Cefuroxime

Comparative intraocular penetration of topical and injected cefuroxime, 922

#### Cerebrospinal fluid

Cerebrospinal fluid in acute optic neuritis: experience of the Optic Neuritis Treatment Trial, 144

#### Charles Bonnet's syndrome

Visual hallucinations in psychologically normal people: Charles Bonnet's syndrome, 293

#### Children

Infantile exotropia, 143

Orbital sonography in children, 463

Parents with unilateral retinoblastoma: their affected children, 143

The risk of intraocular juvenile xanthogranuloma: survey of current practices and assessment of risk, 143

#### Choroid

Histopathologic risk factors in retinoblastoma: a retrospective study of 172 patients treated in a single institution, 142

#### Choroidal neovascular membranes

Selective visualization of choroidal neovascular membranes, 607

#### Co-trimoxazole

Trimethoprim-sulfamethoxazole (co-trimoxazole) for the prevention of relapses of Wegener's granulomatosis, 606

#### Color vision

A new colour vision test for clinical use, 145

#### Conjunctivitis

Occupational conjunctivitis associated with type IV allergy to methacrylates, 290

#### Contact lens

Immunoglobulin A antibodies against *Pseudomonas aeruginosa* in the tear fluid of contact lens wearers, 921

#### Cornea

Decrease in corneal sensitivity and change in tear function in dry eye, 290

#### Cytomegalovirus

Use of viral cultures and serologic tests for cytomegalovirus infection. Rational or random?, 924

### D

#### Descemet's membrane

Repair of Descemet's membrane detachment with intracameral injection of 20% sulfur hexafluoride gas, 760

#### Diabetes mellitus

A new method for rapid mapping of the retinal thickness at the posterior pole, 922

Amelioration of vascular dysfunctions in diabetic rats by an oral PKC  $\beta$  inhibitor, 291

The incidence of complications in insulin-dependent diabetes mellitus: a survival analysis, 141

Retinal blood flow changes in type I diabetes. A long-term, follow-up study, 291

#### Diabetic retinopathy

Acceleration of experimental diabetic retinopathy in the rat by omega-3 fatty acids, 142

## **Disability**

How patients stress, con, and intimidate physicians to file dubious disability reports, 465

## **Dry eye**

Decrease in corneal sensitivity and change in tear function in dry eye, 290

## **Dystopia**

Correction of ocular dystopia, 294

## **E**

## **Electronic medical record systems**

Building national electronic medical record systems via the World Wide Web, 465

## **Enophthalmos**

Correction of ocular dystopia, 294

## **Ethics**

Hippocrates à la mode, 466

Narrowing the gap between the rhetoric and the reality of medical ethics, 295

## **Exotropia**

Infantile exotropia, 143

## **Eye shield**

Laser safety features of eye shields, 146

## **G**

## **Genetics**

Parents with unilateral retinoblastoma: their affected children, 143

## **Gentamicin**

Penetration of gentamicin and ofloxacin in human vitreous after systemic administration, 923

## **Glaucoma**

Analysis of progressive change in automated visual fields in glaucoma, 460

Differences in optic discs in low-tension glaucoma patients with relatively low or high pressures, 921

Number of people with glaucoma worldwide, 460

The risk of intraocular juvenile xanthogranuloma: survey of current practices and assessment of risk, 143

Sublingual timolol—an alternative to topical medication in glaucoma?, 605

Treatment of the fellow eye in acute angle-closure glaucoma: a case report and survey of members of the American Glaucoma Society, 761

## **H**

## **Hallucination**

Visual hallucinations in psychologically normal people: Charles Bonnet's syndrome, 293

## **Health care**

Cost-effectiveness analysis in a setting of budget constraints. Is it equitable?, 295

The medically uninsured—will they always be with us?, 296

## **Hemorrhage**

Natural history of subfoveal subretinal hemorrhage in age-related macular degeneration, 763

## **Hippocratic oath**

Hippocrates à la mode, 466

## **Human immunodeficiency virus**

Ocular motor dysfunction in HIV-1-infected subjects: a quantitative oculographic analysis, 144

## **Hyaluronidase**

The role of hyaluronidase on lidocaine and bupivacaine pharmacokinetics after peribulbar blockade, 461

## **Hydroxychloroquine**

Retinal toxicity in long-term hydroxychloroquine treatment, 145

## **Hypoxia**

Subcutaneous injection of a cyclic peptide antagonist of vitronectin receptor-type integrins inhibits retinal neovascularization, 464

## **I**

## **Immunoglobulin A**

Immunoglobulin A antibodies against *Pseudomonas aeruginosa* in the tear fluid of contact lens wearers, 921

## **Infants**

The influence of perinatal infective factors on ophthalmia neonatorum, 462

Treatment outcome and dose-response relationship in infants younger than 1 year treated for retinoblastoma with primary irradiation, 292

## **Informed consent**

The contours of informed consent, 146

## **Intraocular lens**

Changes in pupil size induced by phacoemulsification and posterior chamber lens implantation: consequences for multifocal lenses, 605

## **Intraocular pressure**

Apraclonidine 0.5% vs 1.0% for controlling intraocular pressure elevation after argon laser trabeculoplasty, 921

Differences in optic discs in low-tension glaucoma patients with relatively low or high pressures, 921

Laser trabeculoplasty induces stromelysin expression by trabecular juxtacanalicular cells, 141

## **Iris**

The risk of intraocular juvenile xanthogranuloma: survey of current practices and assessment of risk, 143

## **Ischemia**

Luxury perfusion following anterior ischemic optic neuropathy, 924

## **Islets of Langerhans**

Presence of sulphatide (3'-sulphogalactosylceramide) in pericytes in the choroid layer of the eye: sharing of this glycolipid autoantigen with islets of Langerhans, 607

## **J**

## **Juvenile xanthogranuloma**

The risk of intraocular juvenile xanthogranuloma: survey of current practices and assessment of risk, 143

## **L**

## **Laser**

Apraclonidine 0.5% vs 1.0% for controlling intraocular pressure elevation after argon laser trabeculoplasty, 921

Laser safety features of eye shields, 146

Pulsed carbon dioxide laser resurfacing of photoaged facial skin, 295

## **Lens**

Morphology of the normal human lens, 460

## **Levator palpebrae superioris muscle**

Functional anatomy of the levator palpebrae superioris muscle and its connective tissue system, 925

## **Lidocaine**

The role of hyaluronidase on lidocaine and bupivacaine pharmacokinetics after peribulbar blockade, 461

## **Luxury perfusion**

Luxury perfusion following anterior ischemic optic neuropathy, 924

## **M**

### **Macula**

Bilaterality of idiopathic macular holes, 141

### **Macular degeneration**

Oral zinc and the second eye in age-related macular degeneration, 464

### **Macular hole**

Bilaterality of idiopathic macular holes, 141

### **Medical schools**

The quandary over graduates of foreign medical schools in the United States, 466

### **Melanoma**

Microwave thermoradiotherapy for intraocular melanoma, 608

<sup>125</sup>I plaque therapy for uveal melanoma. Analysis of the impact of time and dose factors on local control, 608

### **Melatonin**

Melatonin. Claims made in the popular media are mostly nonsense, 611

### **Methacrylate resin**

Occupational conjunctivitis associated with type IV allergy to methacrylates, 290

### **Molecular genetics**

The revolution in molecular genetics and its impact on ophthalmology, 925

### **Muscle**

Infantile exotropia, 143

Surgical implications of the rectus extraocular muscle pulleys, 762

### **Myopia**

Myopia. The nature versus nurture debate goes on, 292

## **N**

### **Nasolacrimal probing**

Office probing for congenital nasolacrimal duct obstruction: a study of parental satisfaction, 764

### **Neoplasms**

Preservation of the eye in the treatment of sinonasal malignant neoplasms with orbital involvement. A confirmation of the original treatise, 610

### **Neovascularization**

Subcutaneous injection of a cyclic peptide antagonist of vitronectin receptor-type integrins inhibits retinal neovascularization, 464

### **Nerve fiber layer**

Tamoxifen-associated eye disease: a review, 145

### **Non-steroidal anti-inflammatory agents**

The emerging roles of topical non-steroidal anti-inflammatory agents in ophthalmology, 462

## **O**

### **Ocular hypertension**

Patients with ocular hypertension have abnormal point scotopic thresholds in the superior hemifield, 605

### **Ocular toxicity**

Ocular toxicity following topical application of anesthetic cream to the eyelid skin, 610

### **Oculography**

Ocular motor dysfunction in HIV-1-infected subjects: a quantitative oculographic analysis, 144

### **Ofloxacin**

Penetration of gentamicin and ofloxacin in human vitreous after systemic administration, 923

### **Open-angle glaucoma**

Laser trabeculoplasty induces stromelysin expression by trabecular juxtacanalicular cells, 141

### **Optic nerve**

Histopathologic risk factors in retinoblastoma: a retrospective study of 172 patients treated in a single institution, 142

Relationship of the optic nerve to the posterior paranasal sinuses: a CT anatomic study, 293

### **Optic neuritis**

Cerebrospinal fluid in acute optic neuritis: experience of the Optic Neuritis Treatment Trial, 144

### **Optic neuropathy**

Traumatic optic neuropathy. A meta-analysis, 294

### **Orbit**

Correction of ocular dystopia, 294

### **Orbital floor fractures**

Methodik der operativen Versorgung von Orbitabodenfrakturen: Ein Vergleich aus ophthalmologischer Sicht zwischen Implantat und Antralballon (Ophthalmological analysis of the surgical treatment of orbital floor fractures: a comparison between orbital implants and antral balloon catheters), 609

## **P**

### **Palsy**

Autopsy-proven progressive supranuclear palsy in two siblings, 465

### **Patient care**

Do I or don't I?, 926

Quality of care: What is it?, 926

### **Phacoemulsification**

Changes in pupil size induced by phacoemulsification and posterior chamber lens implantation: consequences for multifocal lenses, 605

Management of dislocated lens fragments after phacoemulsification surgery, 760

### **Photodamaged skin**

Pulsed carbon dioxide laser resurfacing of photoaged facial skin, 295
